

M000 · House Walls — English Worksheet

Topic: House Walls (No Roof) · **Course:** Builder Basics · **Time:** about 45 minutes

1 · Predict 🧠

Read each set of steps. Write what you think will happen.

```
repeat 10 times:
  place block down
  move forward
```

What does the agent build? Write one sentence.

```
repeat 10 times:
  place block down
  move up by 1
```

Is this a wall lying flat on the ground, or standing up tall? How tall?

```
repeat 10 times:
  repeat 10 times:
    place block down
    move up by 1
  move forward
```

What shape does the agent finish with? How many blocks in total?

2 · Spot the Bug 🐛

Each code block is broken. Read what it should do, rewrite it, then explain why the original was wrong.

Bug A — The agent is supposed to build a single wall that is **10 blocks long** on the ground.

```
repeat 9 times:
  place block down
  move forward
```

Write the fixed code:

Why was it wrong? Why does your fix work?

Bug B — The agent is supposed to build **two walls** of a house: a wall 10 blocks long, then turn right, then another wall 10 blocks long.

```
repeat 10 times:
  place block down
  move forward
  turn right
  place block down
  move forward
```

Write the fixed code:

Why was it wrong? Why does your fix work?

Bug C — The agent is supposed to build a wall that is **10 blocks long AND 10 blocks tall** — a square of 100 blocks.

```
repeat 10 times:
  place block down
  move up by 1
  move forward
```

Write the fixed code:

Why was it wrong? Why does your fix work?

3 · Show Your Work 📷 🎥

Switch to your homework world. Build your house with walls but **no roof yet** — 10 blocks long and 10 blocks tall, using two loops.

Record **one video** — one take, no stopping (a phone is fine). Show these in order:

1 · Your code. Scroll through it. Say what each part does.

2 · Your build. Point the camera. Name the parts.

Fill the blanks:

Today I built _____.

I built it using this code: _____.

In this code I used _____.

The hardest part was _____.

That part was hard because _____.

The most fun part was _____.

Something new I learned was _____.

Write your lines here, then say them in your video.
