

Builder Basics — Complete Your Village (Extension · Beginner)

Topic: Bring It All Together · **Course:** Builder Basics · **Level:** Beginner · **Type:** Extension Activity · **Time:** about 30 minutes

 A bonus challenge, not a weekly lesson. Try it after the Week 8 village.

1 · The Challenge

Finish your village. It must have **all four** of these:

 House with a roof  Well  Small pond  Small flower bed

One rule: build with ____. **Circle one:** code · your hands

Tick each one when it is done in your world:

☐  House with a roof ☐  Well ☐  Small pond ☐  Small flower bed

2 · Match It

A pond is made of a dip in the ground filled with... Circle one: water · lava · flowers

A flower bed is a row of... Circle one: flowers · doors · stairs

A house needs a roof so it has a... Circle one: top · hole · door

3 · Use a Loop

A loop repeats the same step again and again.

Which one is best made with a loop? Circle one: one door · a row of flowers · one block

Between the house and the pond, the agent must first... Circle one: walk to a new spot · stop · turn off

4 · Build It, Then Show It 📷 🎥

Go to your world. Build all four with code: the **house with a roof**, the **well**, the **small pond**, and the **small flower bed**.

Then take a video on your phone (or a parent's phone). In your video:

1. Point to each of the four things and say its name: **house, well, pond, flower bed**.
2. Show the flower bed and say: "I used a **loop** to place the row of flowers."
3. Say which one you like best.
