

M000 · Building a Well — English Worksheet (Intermediate)

Topic: Building a Well · **Course:** Builder Basics · **Level:** Intermediate · **Time:** about 38 minutes

1 · Predict 🧠

Read each set of steps. Write what you think will happen.

```
repeat 3 times:
  destroy block down
  move down by 1
```

What does the agent do, and how deep is the hole?

```
repeat 4 times:
  repeat 3 times:
    place block down
    move forward
  turn right
```

What shape does the agent leave on the ground? How many blocks total?

2 · Find the Bug 🐛

The goal is written first. Circle the line that breaks it, then explain in one sentence.

Bug A — Goal: dig **3 blocks straight down** to make the well hole. After each **destroy**, the agent must step down into the hole.

```
repeat 3 times:
    destroy block down
```

Which line is missing, and why does that break the dig?

Bug B — Goal: build the square wall **first**, then dig the hole. Think about where the agent ends up after it digs.

```
repeat 3 times:
    destroy block down
    move down by 1
repeat 4 times:
    repeat 3 times:
        place block down
        move forward
    turn right
```

What is in the wrong order, and what problem does that cause?

3 · Fix the Code

The agent should build the **4 sides** of a 3×3 square wall around the well. It builds only **one side** — the outer loop is missing.

```
repeat 3 times:
  place block down
  move forward
  turn right
```

Hint: a square has 4 sides. You need to repeat "3 blocks, then turn" four times.

Write the fixed code:

Why does your fix make a full square?

4 · Show Your Work 📷 🎥

Switch to your homework world. Build a **well** — a 3×3 square wall on top, and a hole **3 or 4 blocks deep** inside it.

Record **one video** — one take, no stopping (a phone is fine). Show these in order:

1 · Your code. Scroll through it. Say what each part does.

2 · Your build. Point the camera. Name the parts.

Fill the blanks:

Today I built _____.

I built it using this code: _____.

In this code I used _____.

The hardest part was _____.

That part was hard because _____.

The most fun part was _____.

Something new I learned was _____.

Write your lines here, then say them in your video.
