

Builder Basics · Building a Well — English Worksheet (Beginner)

Topic: Building a Well · **Course:** Builder Basics · **Level:** Beginner · **Time:** about 30 minutes

1 · Predict 🧐

Read the steps. Circle your answer.

```
repeat 2 times:  
  destroy block down  
  move down by 1
```

Does the agent build up or dig down? Circle one: build up · dig down

How deep is the hole? Circle one: 2 blocks deep · 5 blocks deep · 1 block deep

```
repeat 4 times:  
  repeat 3 times:  
    place block down  
    move forward  
  turn right
```

What shape does this make on the ground? Circle one: line · square · hole

2 · Find the Difference 🐛

Clean steps first, then a broken version. Circle the bug.

Pair A — The agent should dig down 3 blocks. After each **destroy**, it must move down into the hole.

```
# clean
repeat 3 times:
  destroy block down
  move down by 1
```

```
# buggy
repeat 3 times:
  destroy block down
```

What is wrong? Circle one: the move down is missing · a destroy is missing · it builds up

Pair B — The agent should build the square wall **first**, then dig.

```
# clean
[build square wall]
[dig down]
```

```
# buggy
[dig down]
[build square wall]
```

What is wrong? Circle one: it digs before building the wall · it builds two walls · it never digs

3 · Fill the Gap

The agent should dig a hole 2 blocks deep. One line is missing.

```
destroy block down  
move down by 1  
_____  
move down by 1
```

Which line is missing? Circle one: destroy block down · place block down · move forward

4 · Show Your Work 📷 🎥

Switch to your homework world. Build a **small well** — a square wall on top, and a hole **2 or 3 blocks deep** inside it.

Record **one video** — one take, no stopping (a phone is fine). Show these in order:

1 · Your code. Scroll through it. Say what each part does.

2 · Your build. Point the camera. Name the parts.

Say these out loud, filling in the blanks:

Today I built _____.

I built it using this code: _____.

In this code I used _____.

The hardest part was _____.

That part was hard because _____.

The most fun part was _____.

Something new I learned was _____.
