

Builder Basics · Roofed House — English Worksheet (Beginner)

Topic: Roofed House · **Course:** Builder Basics · **Level:** Beginner · **Time:** about 30 minutes

1 · Predict

Read the steps. Circle your answer.

```
repeat 4 times:
  repeat 4 times:
    place block down
    move forward
  turn right
```

What shape does this make on the ground? Circle one: line · square · tower

Why does the agent turn right after each side? Circle one: to start the next side · to go higher · to dig down

```
move up by 1
repeat 3 times:
  place block down
  move forward
```

Do the new blocks land at the same height as before, or higher? Circle one: same · higher

2 · Find the Difference 🐛

Clean steps first, then a broken version. Circle the bug.

Pair A — The agent should place 5 blocks.

```
# clean
repeat 5 times:
  place block down
  move forward
```

```
# buggy
repeat 4 times:
  place block down
  move forward
```

What is wrong? Circle one: only 4 blocks, not 5 · one block too many · a wrong turn

Pair B — The agent should build one straight side, **then** turn.

```
# clean
repeat 4 times:
  place block down
  move forward
turn right
```

```
# buggy
repeat 4 times:
  place block down
  move forward
  turn right
```

What is wrong? Circle one: it turns after every block · it never turns · it goes up

3 · Fill the Gap

The roof goes **on top** of the walls, so the agent must go up first. One line is missing.

```
_____
place block down
move forward
place block down
```

Which line is missing? Circle one: move up by 1 · turn right · move forward

4 · Show Your Work 📷 🎥

Switch to your homework world. Build a **small house with a roof** — any size you like.

Record **one video** — one take, no stopping (a phone is fine). Show these in order:

1 · Your code. Scroll through it. Say what each part does.

2 · Your build. Point the camera. Name the parts.

Say these out loud, filling in the blanks:

Today I built _____.

I built it using this code: _____.

In this code I used _____.

The hardest part was _____.

That part was hard because _____.

The most fun part was _____.

Something new I learned was _____.
