

M000 Week 7 — English Worksheet (Beginner)

Topic: Farm House (House + Adjacent Farm) · **Course:** Builder Basics · **Level:** Beginner · **Time:** about 30 minutes

1 · Predict 🧠

Read the steps. Before you imagine the agent doing it, circle or write your answer.

```
# Stage 1
[build house walls]
# Stage 2
walk to the spot beside the house
# Stage 3
[build farm patch]
```

How many stages are there? Circle one: 1 · 2 · 3

Why does the agent walk to a new spot before building the farm?

```
turn right
repeat 4 times:
  move forward
```

Does the agent build anything here? Circle one: yes · no

What is the agent doing instead?

2 · Find the Difference 🐛

Each pair shows clean steps first, then a broken version of the same idea. Circle what's different and write one short sentence about the bug.

Pair A — The agent should build the house **first**, then the farm.

```
# clean
[build house]
[walk to next spot]
[build farm patch]
```

```
# buggy
[build farm patch]
[walk to next spot]
[build house]
```

What is wrong?

Pair B — The farm must land on the **ground**, so the agent has to come down from the house first.

```
# clean
move down by 2
[walk to next spot]
[build farm patch]
```

```
# buggy
[walk to next spot]
[build farm patch]
move down by 2
```

What is wrong?

3 · Fill the Gap

After the house, the agent must **walk over** before building the farm. One line is missing. Fill it in using the word bank.

```
[build house]
turn right
_____
[build farm patch]
```

Word bank: repeat 4 times: move forward · move up by 4 · destroy block down

Write the missing line:

4 · Tell Me What You Built 📷

Now switch to your homework world. Build a **small house** and a **small farm patch beside it**. When you finish, come back here.

Send a photo or video of your farm house, then explain what you did. Use these sentence starters — write 2 or 3 sentences.

First, I built the house by ...

To get to the farm spot, the agent had to ...

The hardest part was ...

5 · Record Your Walkthrough 🎥

Take a video on your phone (or a parent's phone) and walk the camera around your farm house. Talk like you are teaching a friend. Try to use these words: **house, farm, patch, stage.**

1. Show the house, then walk over to the farm patch.
2. Say what stage 1 and stage 2 were.
3. Show one bug you hit and how you fixed it.

Write what you will say in your video. You can read from it while filming.
