

RB005 Week 2 — English Worksheet (Beginner)

Topic: Greybox It — Find the Fun First · **Course:** Dream Game Studio · **Level:** Beginner · **Time:** about 30 minutes

This week you build your WHOLE map with plain gray parts. This is called **greyboxing** — find the fun first, decorate later.

1 · Predict 🧠

Read each question. Circle or write your answer.

Should you decorate your map BEFORE you know the game is fun? Circle one: yes · no

Why?

Your greybox map is all gray, but you can play it from start to goal. Is that OK for this week?

Circle one: yes · no

2 · Find the Difference 🦎

Each pair shows a good plan first, then a broken version of the same idea. Circle what's different and write one short sentence about the problem.

Pair A — Every map needs a goal.

```
# good
START → bridge → jumps → GOAL flag
```

```
# broken
START → bridge → jumps → ???
```

What is missing? How does the player win?

Pair B — Greybox first, decorate later.

```
# good
Whole map built with plain gray parts.
Colors come later.
```

```
# too early
3 days spent painting the start area.
No goal built yet.
```

What is wrong with painting for 3 days first?

3 · Fill the Gap

One word is missing. Fill it in using the word bank.

First build the whole map with plain ____ parts.
Find the fun. Decorate later.

Word bank: gray · gold · rainbow

Write the missing word:

4 · Tell Me What You Built 📷

Now open Roblox Studio and greybox your whole map — start, path, goal — all in plain gray parts. Playtest it for 10 minutes. When you finish, come back here.

Send a photo or video of your greybox map, then explain what you found. Use these sentence starters — write 2 or 3 sentences.

My map starts at ... and the goal is ...

The fun part was ...

The boring part was ...

5 · Record Your Walkthrough 🎥

Take a video on your phone (or a parent's phone) while you walk through your greybox map. Talk like a tour guide. Try to use these words: **greybox, start, goal, playtest.**

1. Walk from the start to the goal like a player.
2. Point at the goal and say how you win.
3. Say one thing you will fix before decorating.

Write what you will say in your video. You can read from it while filming.
