

M000 Week 8 — English Worksheet (Beginner)

Topic: Build a Village (Final Project) · **Course:** Builder Basics · **Level:** Beginner · **Time:** about 45 minutes

1 · Predict 🧠

Read the steps. Before you imagine the agent doing it, circle or write your answer.

```
repeat 4 times:
  repeat 3 times:
    place block down
    move forward
  turn right
repeat 3 times:
  destroy block down
  move down by 1
```

Which part of the village is this? Circle one: house · well · farm

```
# Stage 1
[house]
# Stage 2
walk to next spot
[well]
```

What must the agent do between the house and the well? Circle one: walk to a new spot · dig down · turn around

Why?

2 · Find the Difference

Each pair shows clean steps first, then a broken version of the same idea. Circle what's different and write one short sentence about the bug.

Pair A — The village should have a house **and** a well.

```
# clean
[house]
walk to next spot
[well]
```

```
# buggy
[house]
walk to next spot
```

What is wrong?

Pair B — The well must not land on top of the house.

```
# clean
[house]
walk to next spot
[well]
```

```
# buggy
[house]
[well]
```

What is wrong?

3 · Fill the Gap

Here is the skeleton of a small village. One stage is missing. Fill it in using the word bank.

```
# Stage 1
[house]
# Stage 2
walk to next spot
_____
```

Word bank: [well] · [another house on top] · walk back to the house

Write the missing stage:

4 · Tell Me What You Built 📷

Now build your **final project**: a small village with a **house** and **one more structure** — a well or a farm, your choice. When you finish, come back here.

Send a photo or video of your village, then explain what you did. Use these sentence starters — write 2 or 3 sentences.

First, I built the ...

Then I built the ...

The thing I am most proud of is ...

5 · Record Your Walkthrough 🎥

Take a video on your phone (or a parent's phone) and walk the camera through your village. Talk like you are teaching a friend. Try to use these words: **village, house, well, farm.**

1. Walk around the village and show each building.
2. Say which building you made first and which came next.
3. Say what you would add next if you had more time.

Write what you will say in your video. You can read from it while filming.
