

RB005 Week 7 — English Worksheet (Beginner)

Topic: Polish & Store Page — Ready for Strangers · **Course:** Dream Game Studio · **Level:** Beginner ·

Time: about 30 minutes

This week your game gets its **store page**: a title, a description, and an icon picture. The big question: **could a stranger play your game without your help?**

1 · Predict 🧠

Read the store page. Before you imagine a real player seeing it, circle or write your answer.

Title: FREE ROBUX OBBY!!! **The game:** a coin maze. There is no free Robux.

A player joins because of this title. Will they be happy with the game? Circle one: yes · no

Why?

Title: Coin Castle: Escape the Tower! **Description:** Collect 10 coins to unlock the door and reach the roof.

A new player reads this. Do they know what to do in the game? Circle one: yes · no

2 · Find the Difference 🦎

Each pair shows a clean store page first, then a broken version of the same idea. Circle what's different and write one short sentence about the problem.

Pair A — The title should be short, honest, and exciting.

```
-- clean
Lava Tower: Jump to the Top!
```

```
-- buggy
100 FREE ROBUX BEST GAME EVER 100% REAL 100
```

What is wrong with the buggy title?

Pair B — The description should tell a stranger what to do.

```
-- clean
Collect 8 keys to open the exit door. Watch out for the lava bridge!
```

```
-- buggy
good game pls play
```

What is wrong? What does the buggy description forget to tell players?

3 · Fill the Gap

A good game title is short, honest, and _____. One word is missing. Fill it in using the word bank.

A good title is short, honest, and _____.

Word bank: clear · secret · angry

Write the missing word:

4 · Tell Me What You Built 📷

Now polish your own game's store page. Write a title, write a short description, and take a nice icon screenshot (in the game, not in Studio's editor windows). When you finish, come back here.

Send a photo or video of your store page, then explain what you did. Use these sentence starters — write 2 or 3 sentences.

My game's title is ...

My description tells players ...

For my icon, I took a picture of ...

5 · Record Your Walkthrough

Take a video on your phone (or a parent's phone) — a short **trailer** for your game. Talk like an advert that makes a friend want to play. Try to use these words: **title, goal, win, play**.

1. Say your game's title and what kind of game it is.
2. Show the coolest part of your game.
3. Say what players must do to win.

Write what you will say in your video. You can read from it while filming.
